CONNECTING TO SELF

Look at the pictures and read the given information.

D. Look at the table carefully. Then complete the points below.

1. The paddy plants are given manure after _____.
2. The plants take _____ days in ripening phase.
3. It takes 10 days to _____ the rice.
4. The rice grains have to be _____ and then stored.
5. We _____ the grains for _____ days before boiling.

E. Talk in groups. Then share your thoughts with the class.

- Do you usually eat all the food served to you? If not, what are the reasons? When you eat lunch at school, which are the dishes you don't eat or waste?
- Why do you avoid certain food items?
