MIRRORING

The teacher selects three pairs. The pairs are made to stand facing each other. The teacher whispers a game to each pair. One person makes a movement, the other tries to mirror the movement or copy it exactly. Then they change roles. **When both have played both roles, try to coordinate movements with each other, so that both become player and mirror at the same time**. Then the rest of the class have to find out which sport they are mirroring.

eg. Passing the ball, kicks for karate, bowling the ball, batting, etc.,
