PREFACE

The English textbook for standard VI has been prepared following the guidelines given in the National Curriculum Framework, 2005. It has been created to make English language learning both effective and enjoyable. The aim has been to balance learning the structures and vocabulary of the language with learning their use in everyday life.

The activities have been carefully graded to allow a gradual building of language proficiency. The lessons provide effective individual and collaborative learning in pairs and groups and enable differentiation in multilevel classrooms. Each unit focuses on the themes of natural and social world to stimulate curiosity and imagination, engaging both heart and mind. An ICT Corner has been introduced in each unit for the first time in a State Board Text Book to develop current digital literacy skills .

How to use the book

- The Third Term English Book for Standard VI has two units and a play.
- Each unit is planned for a month.
- Each unit is divided into **sections** and each section is designed to initiate and sustain the **Active Learning** process.

Section II

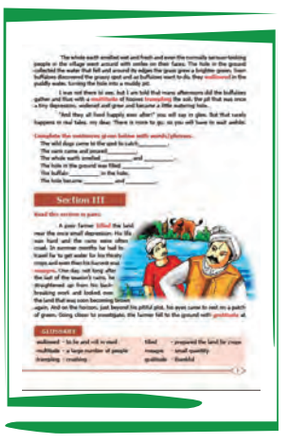

Read the section on your own. Draw a picture to describe the part that you like the most.

I could see the corner, in a haze. I was starting to whoop with glee, but the whoop froze on my lips. There, right in the middle of the road, stood alone cow! I jammed on the brakes and the cycle stopped abruptly, but I could not stop the momentum of my own body. I flew over the handlebars and landed smack on the back of the unfortunate animal. The cow, startled by this sudden attack, reared up and started running. I clung to her for dear life, as she charged up the road and round the corner. As we turned, I spotted two rows of resplendent cavalry officers, mounted on their magnificent horses coming towards us. They obviously belonged to the governor's bodyguard. I could only cling on helplessly as the frightened cow charged straight at the horses. The horses panicked and scattered. There was a regular stampede. The cow managed to fall into a ditch and in the process, dislodged me, and I landed on the soft earth bordering the ditch.

- Each unit starts with an **introduction of the theme** anchored by two girls **Ayesha** and **Madhi**.
- The **pictorial warm up page will help activate students own knowledge and ideas of the** topic.
- **The digital warm up** can be used for visualizing the theme to motivate and interest learners.

- **In-Text questions** in each section can be used for discussion and to check and develop comprehension skills.
- **Digital glossary** can be used for hearing correct pronunciation and visualizing words.
- The **'Do You Know?'** box can be used to enhance general knowledge while initiating spoken language.
