What dies but never lives?
A battery

What has two legs but can't walk?
A pair of pants

What makes a skeleton laugh?
When something tickles his funny bone.

Witty usage of English language

- Both of you stand together separately.
- Will you hang the calender or else, I will hang myself.
- Give me a blue pen of any colour.
- Pick up the paper and fall in the dustbin.
- Why are you looking at the monkeys outside when i am inside?
- All of you stand in straight circle.
- I have two daughter both are girls

Do you know

There really is a science to laughing. In fact, the science of laughing and its effects on the body is referred to as Gelotology.

Laughter boosts your immune system by enhancing your antibodies – which help fight infections – and increasing your immune cell count. This helps reduce chance of illness and missing out on work.

The **American Comedy Awards** are a group of awards presented annually in the United States recognizing performances and performers in the field of comedy. It was begun in 1987.
